THE CAUSE OF ALL THIS, SEITEN TAISEI SON GOKUU, WHOM THEY FLED THE IMPERIAL PALACE WITH, UNDER THEIR PROTECTION

IT'S BEEN ONE NIGHT SINCE THE SEIGE BEGAN

THESE GUYS MADE ME, DRAGON KING OF THE WESTERN SEAS, A PRISONER AND OCCUPIED THE SOUTH-WEST BARRACKS, WHICH ALSO HOUSED TENPOU GENSUI'S QUARTERS.

THEY COLLECTED ALL OF THE OTHER RESIDENTS OF THE BARRACKS INTO ONE PLACE AND OF COURSE CONFINED THEM AS PRISONERS, TOO

WELL, WE'LL FIGURE SOMETHING OUT.

WHAT DO YOU PLAN TO DO NOW?

WITH NOTHING THAT THEY COULD DO OTHER THAN AN ACT OF SUICIDE, IT WAS OBVIOUS THAT IT WAS TOO LATE.

WITH ONLY FOUR MEN--- NO, FOR THOSE THAT COULD ATTEND TO BATTLE POTENTIAL, ONLY PRECISELY TWO IN THIS GROUP,

THEY WEREN'T OVER-ZEALOUS, STUPID SOLDIERS.

WITH THE NUMBERS WE HAVE HERE, WE WON'T HAVE TO ASK THE EASTERN ARMY TO COME HELP.

NO KIDDING. HA HA HA

HOWEVER YOU LOOK AT IT, THEY'RE SPOILED IDIOTS.

BUT AT THAT TIME, I... COULDN'T COMPRE-HEND THAT.

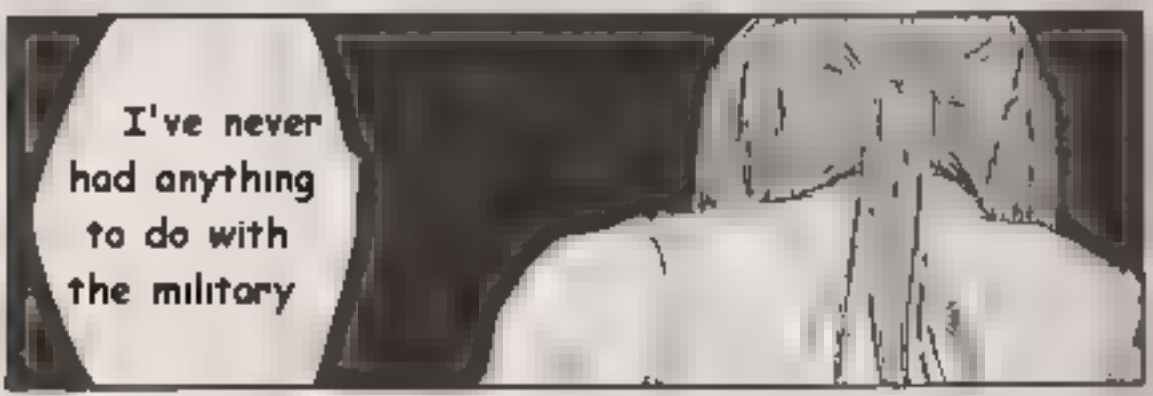
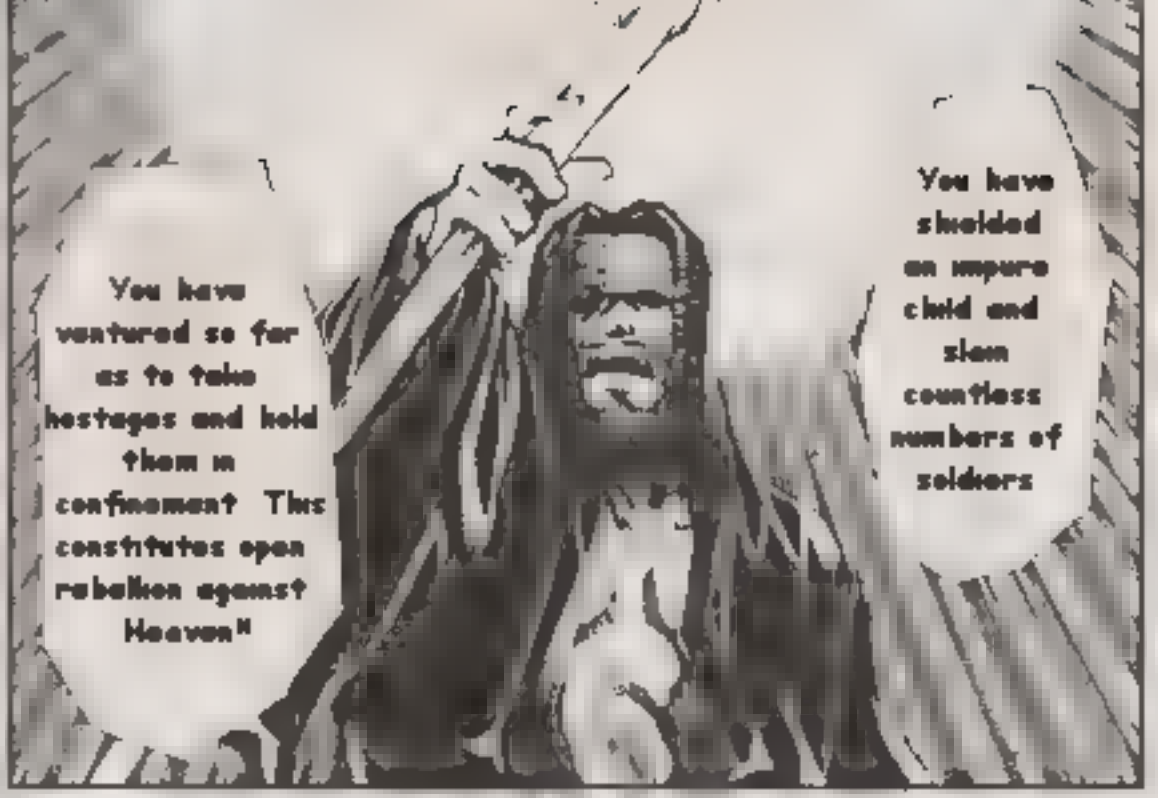
I suppose this is the first time we've ever spoken to each other
What?



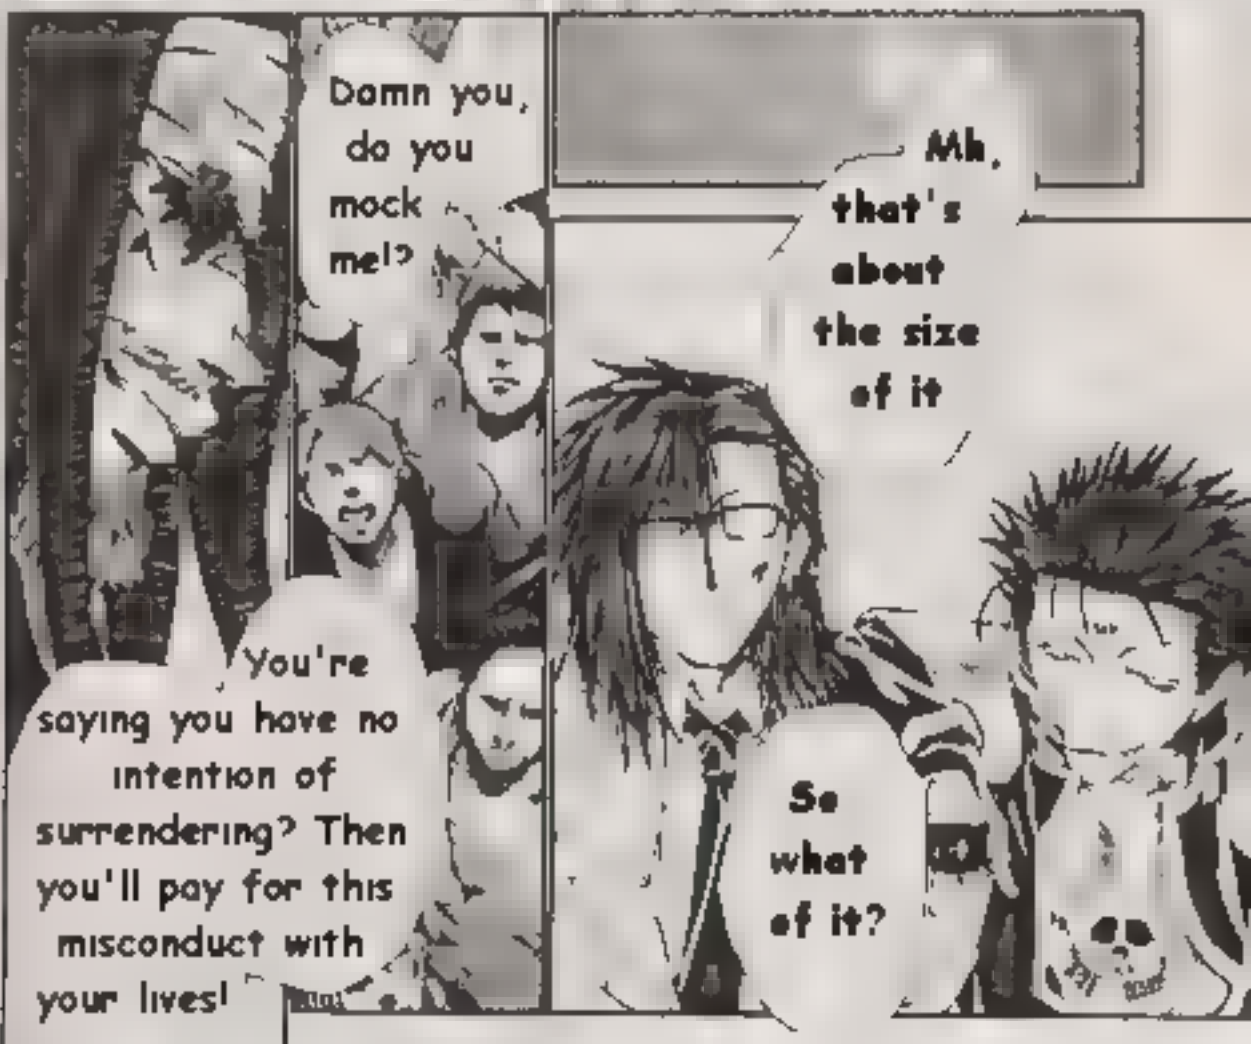
I've never had anything to do with the military

If you hadn't opposed them to protect the Seiten Taisei your rank would have guaranteed you concessions
Then why are you setting yourself against the army now?
It's just that I don't like what I don't like
No matter how big the other side happens to be
You called us? Here we are!

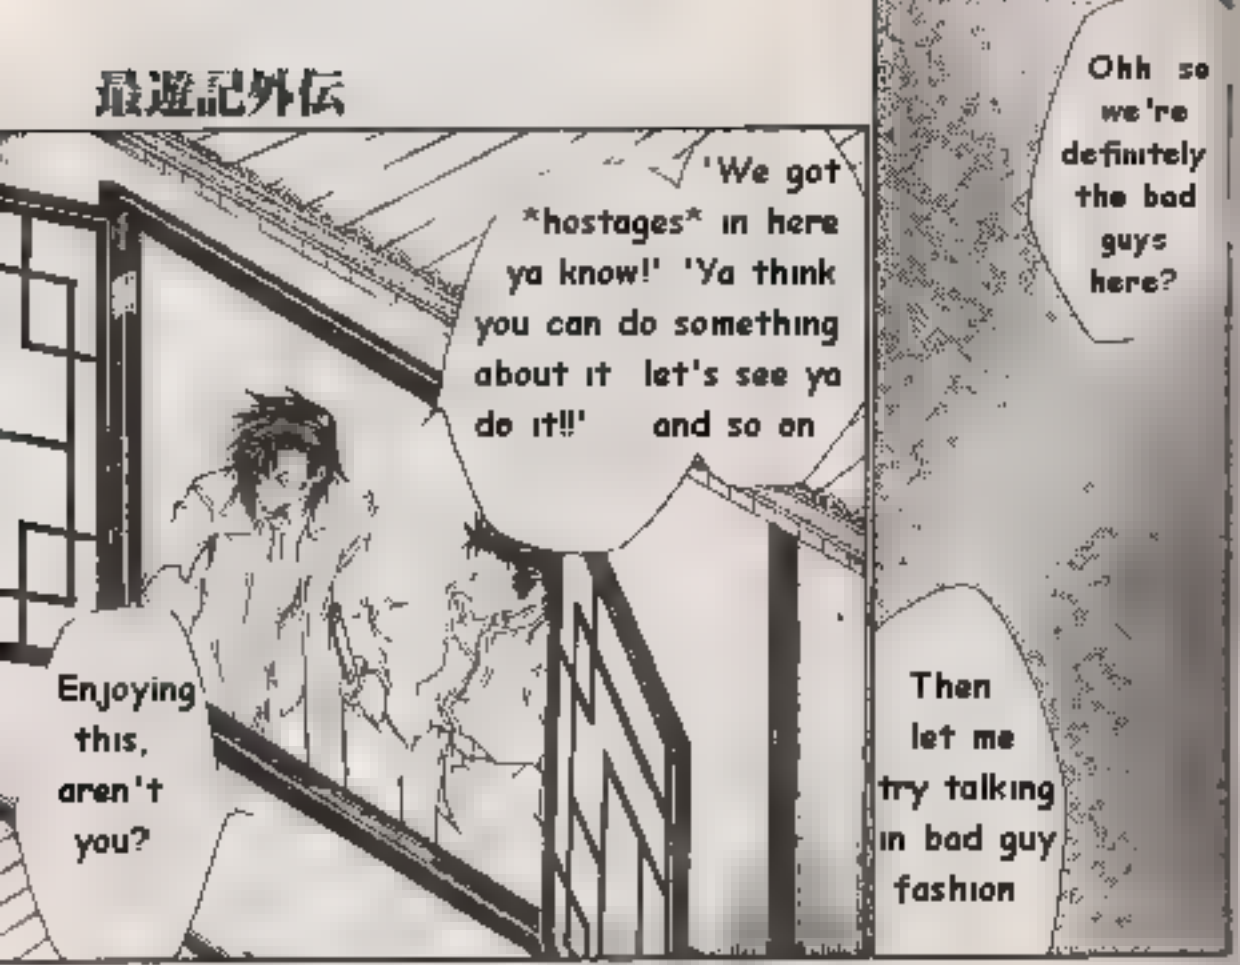
You're showing your age Kenren
Heeere's Johnny!
Marshal Tempus of the Western Army
So the rebels have finally appeared-
General Reeves of the same!



You have ventured so far as to take hostages and hold them in confinement. This constitutes open rebellion against Heaven!"
You have shielded an impure child and slain countless numbers of soldiers



Damn you, do you mock me!?
You're saying you have no intention of surrendering? Then you'll pay for this misconduct with your lives!
Mh, that's about the size of it
So what of it?

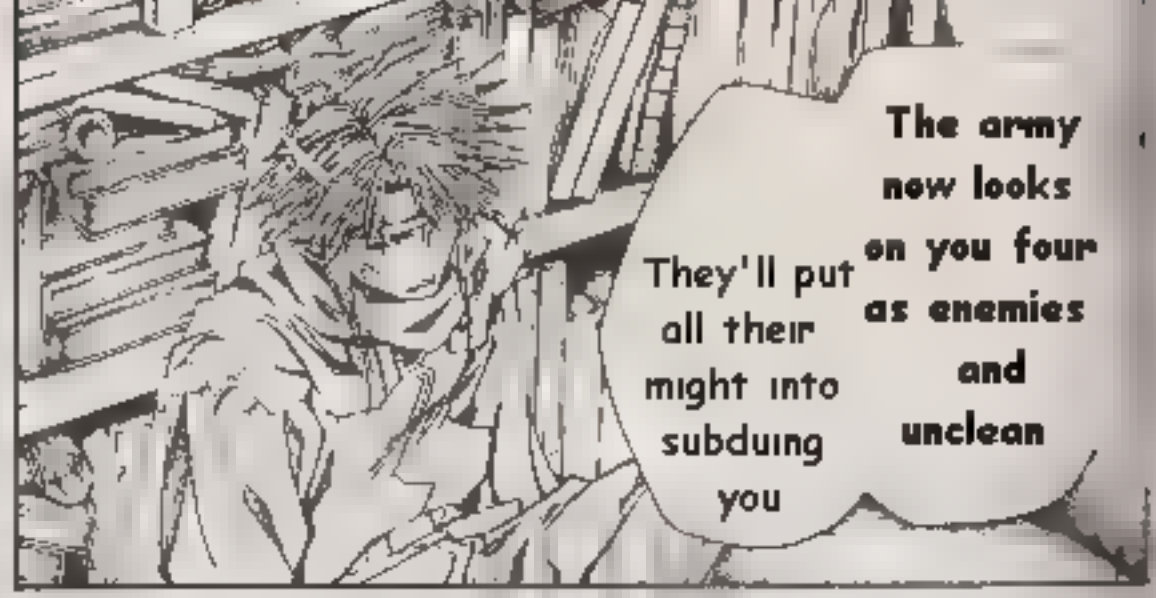


'We got *hostages* in here ya know!' 'Ya think you can do something about it let's see ya do it!!' and so on
Ohh so we're definitely the bad guys here?
Enjoying this, aren't you?
Then let me try talking in bad guy fashion

Then let me ask- what are your demands?

What do you want so badly you'd take on the army of Heaven to get it?
You can't be intending to stay cooped up in there forever

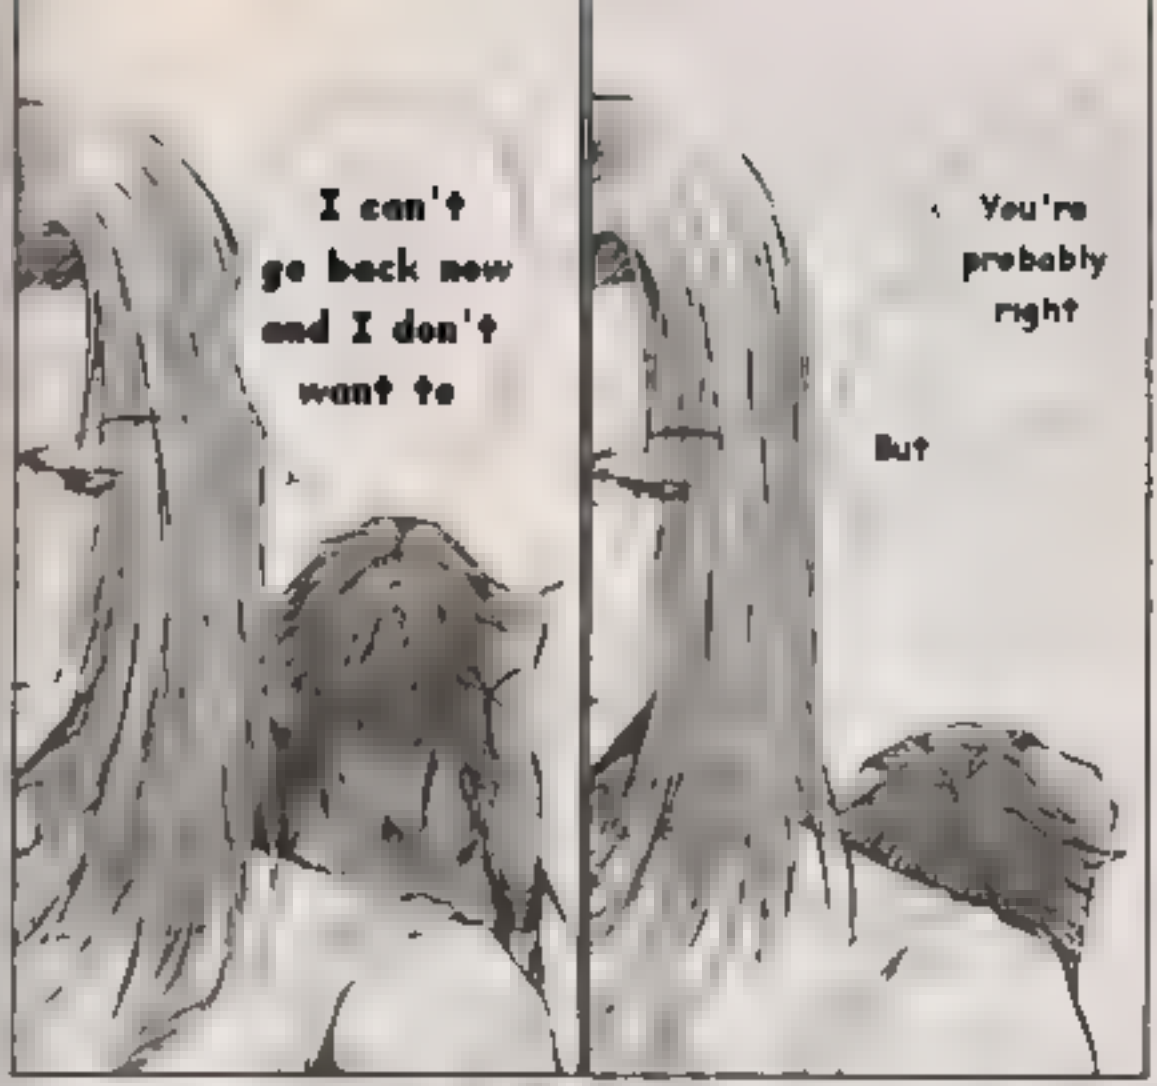
Well General Kenren
What?
Now what do we do?
You're asking *me*?
So
I'll ask: what can *you* do now?



The army now looks on you four as enemies and unclean
They'll put all their might into subduing you

And all because you wanted to protect a single child

You're a hothouse flower with no experience of combat what can you do?
All that awaits you is your own destruction



I can't go back now and I don't want to
You're probably right

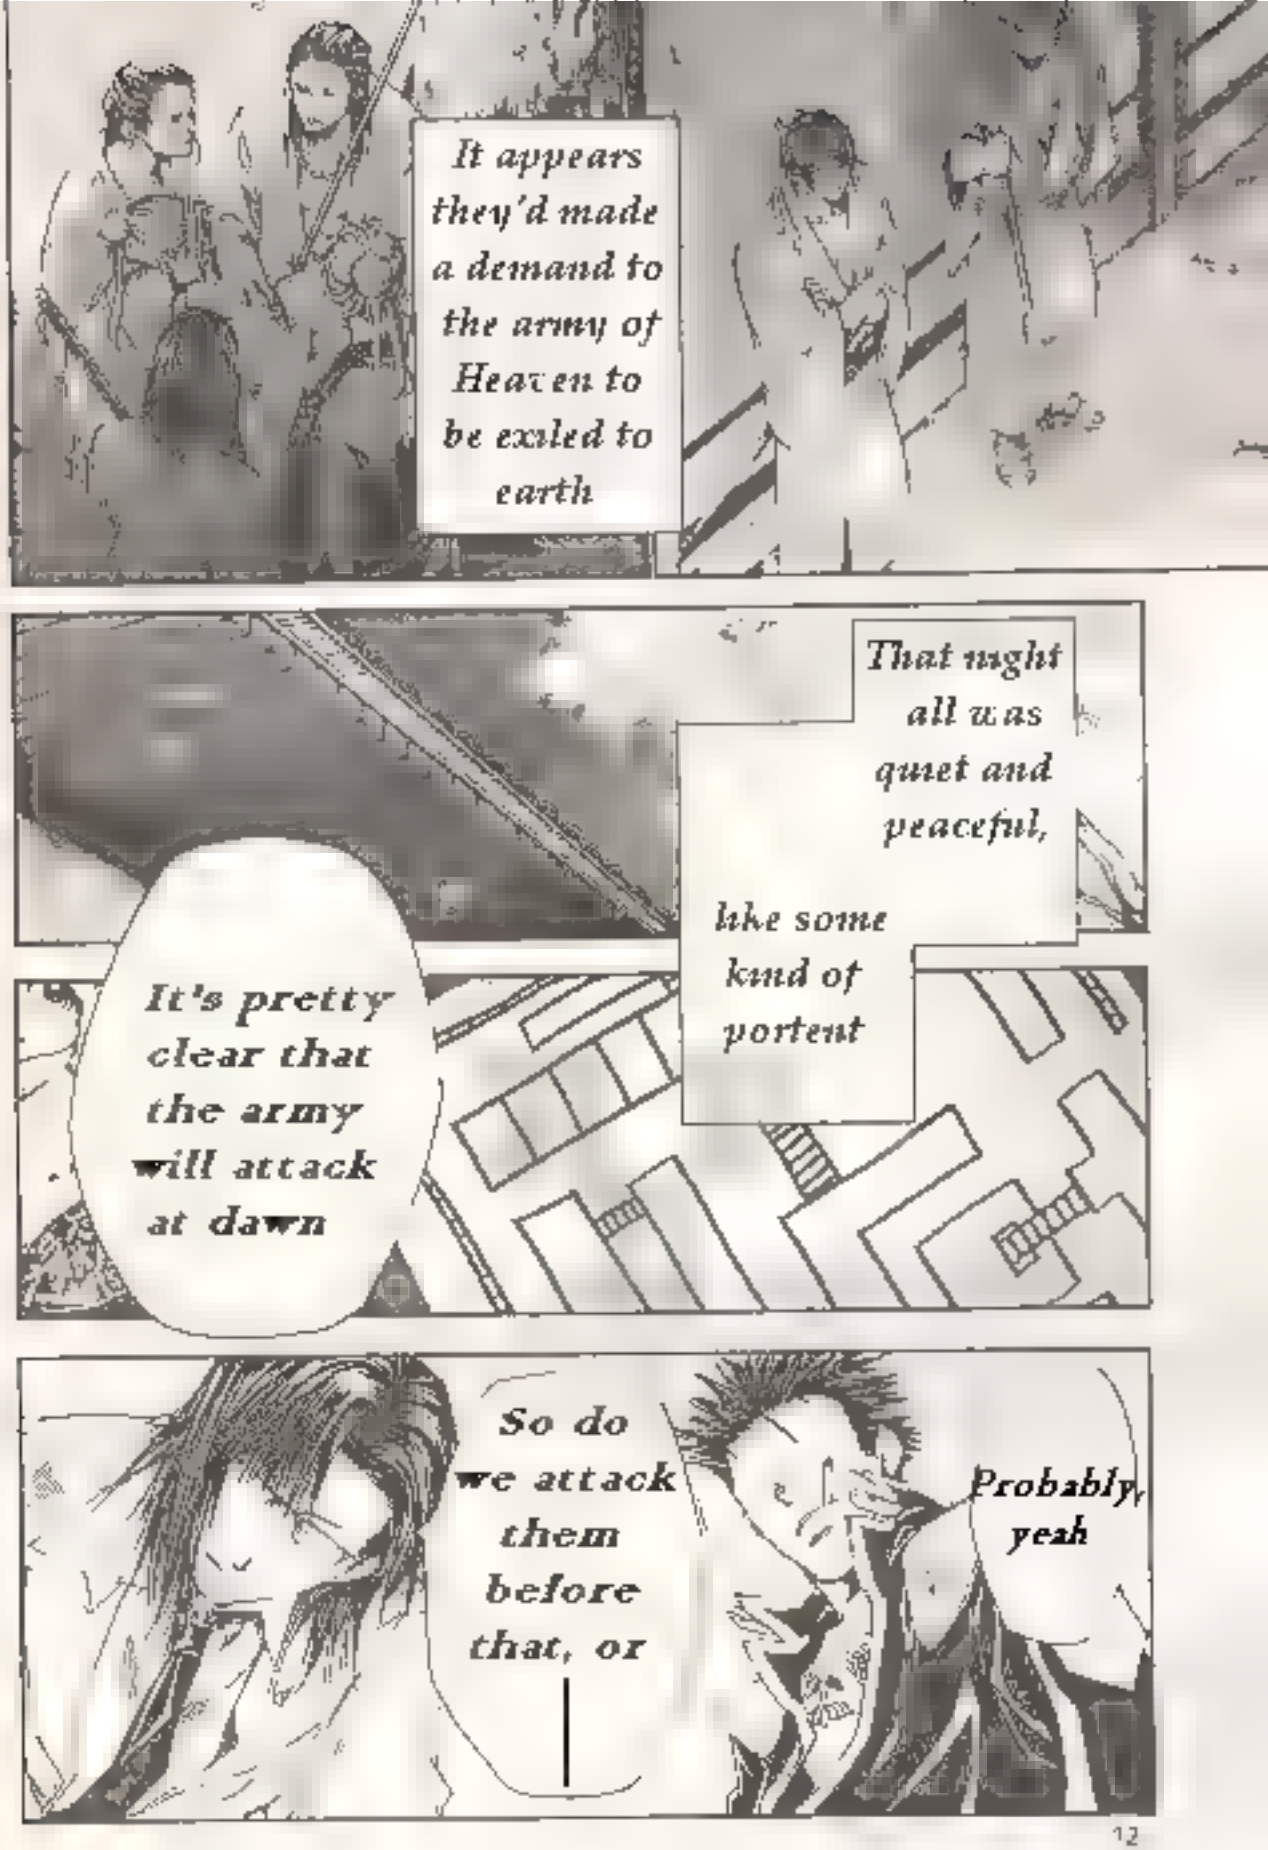
That
was
the
last
night

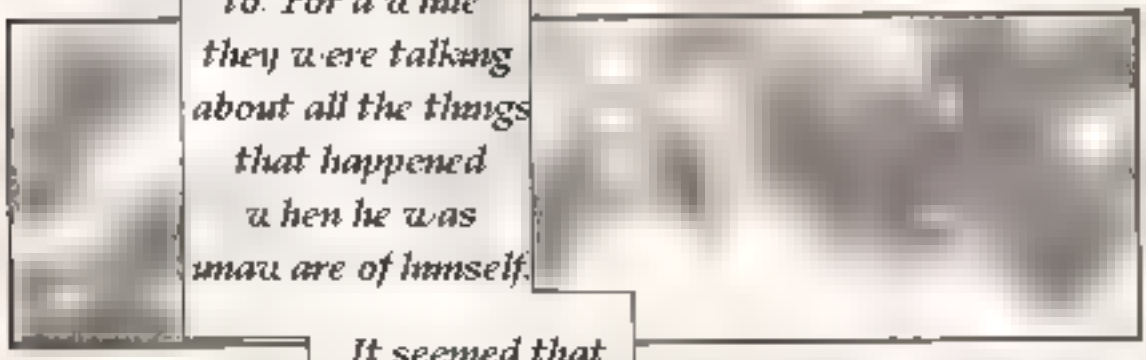


It appears they'd made a demand to the army of Heaven to be exiled to earth
That night all was quiet and peaceful,
like some kind of portent
It's pretty clear that the army will attack at dawn
So do we attack them before that, or
Probably, yeah

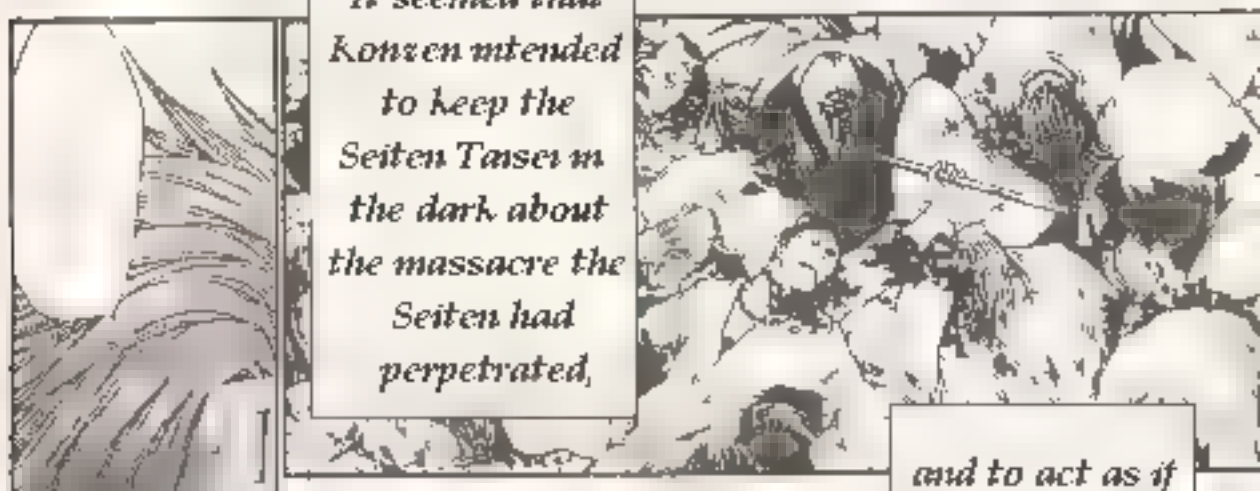
But the army will probably send in more men than they need, which might actually make it easier to escape unnoticed.
That's pretty risky.
do we take advantage of the confusion when they come in to get away?
It seemed they were planning to abandon their hostages myself included and to take flight
After all, there's only four of us
Tenpou Gensui and Kenren Taishou spent hours together going over the possibilities as to what methods the army would use when they came
Dawn would be the decisive moment.
When the army of Heaven judged the time right for an attack, the action would begin.

...after the previous incident, Konzen Doujl had carried the unconscious Seiten Tansei into the next room. He remained there and didn't come out again.

Seiten Tansei came to. For a while they were talking about all the things that happened when he was unaware of himself.

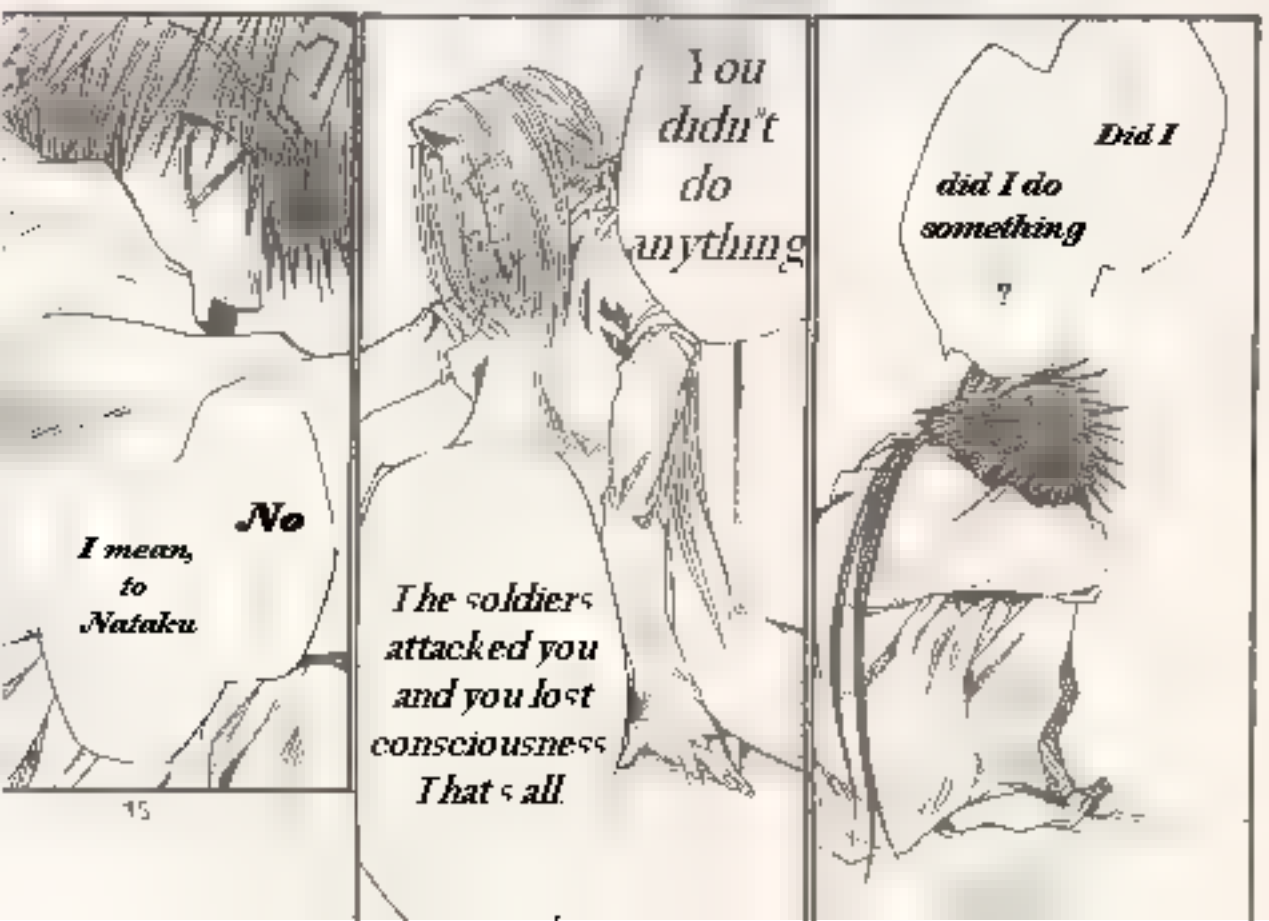


It seemed that Konzen intended to keep the Seiten Tansei in the dark about the massacre the Seiten had perpetrated,

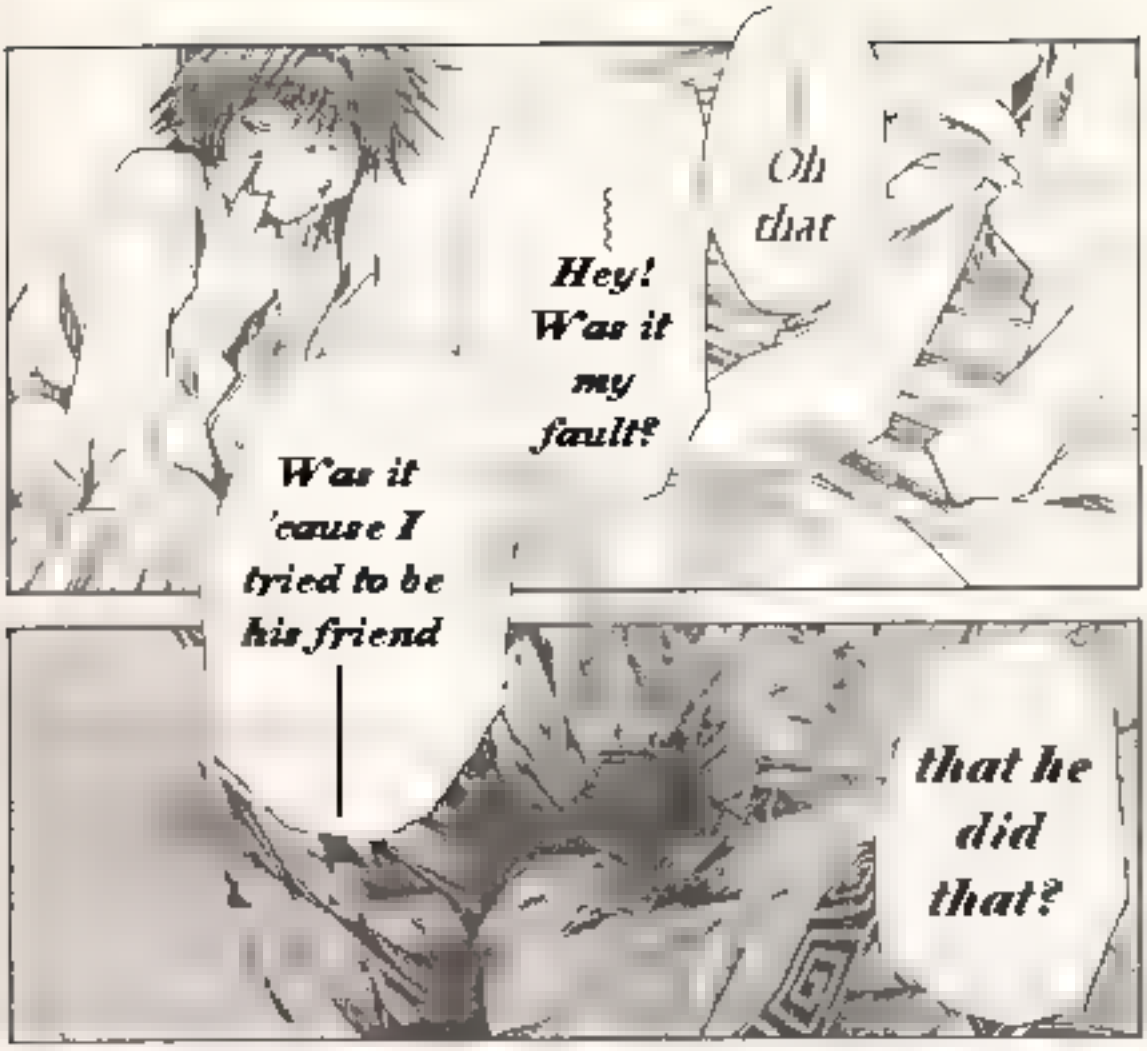


and to act as if Nataku Tasuln, who'd killed himself the day before, was still alive.

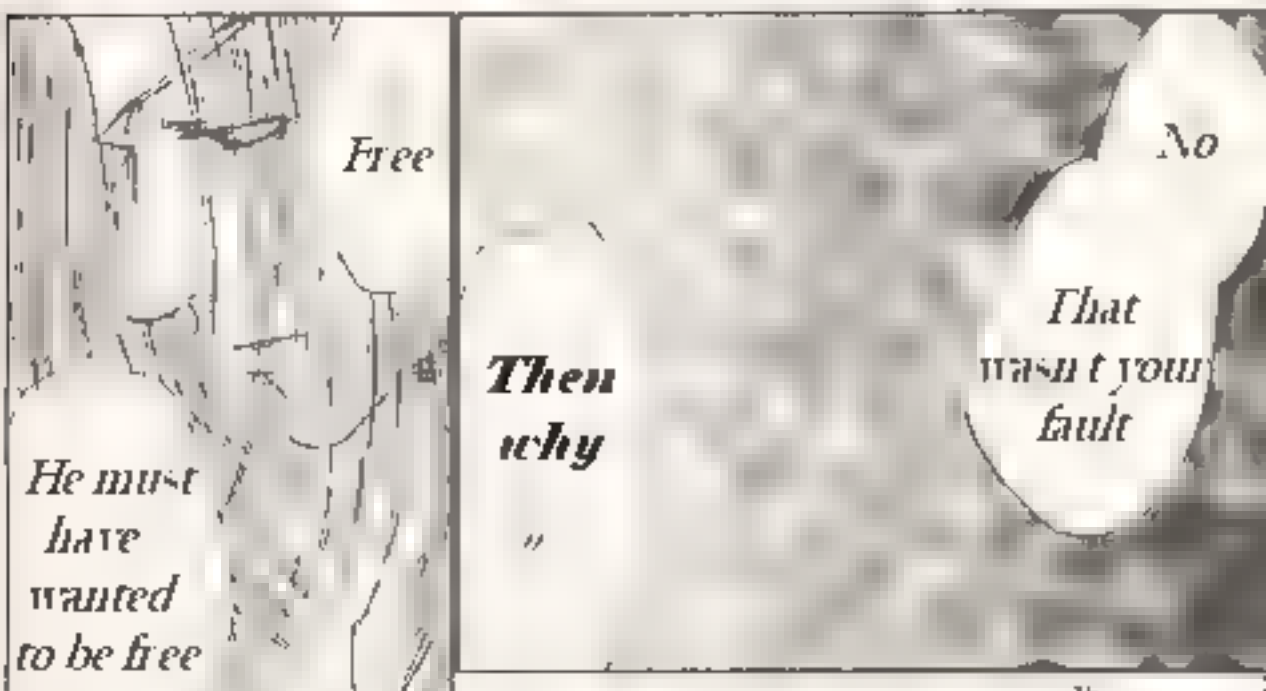
Get some sleep soon Goku
We re leaving at dawn If you don t sleep you won't be up for it



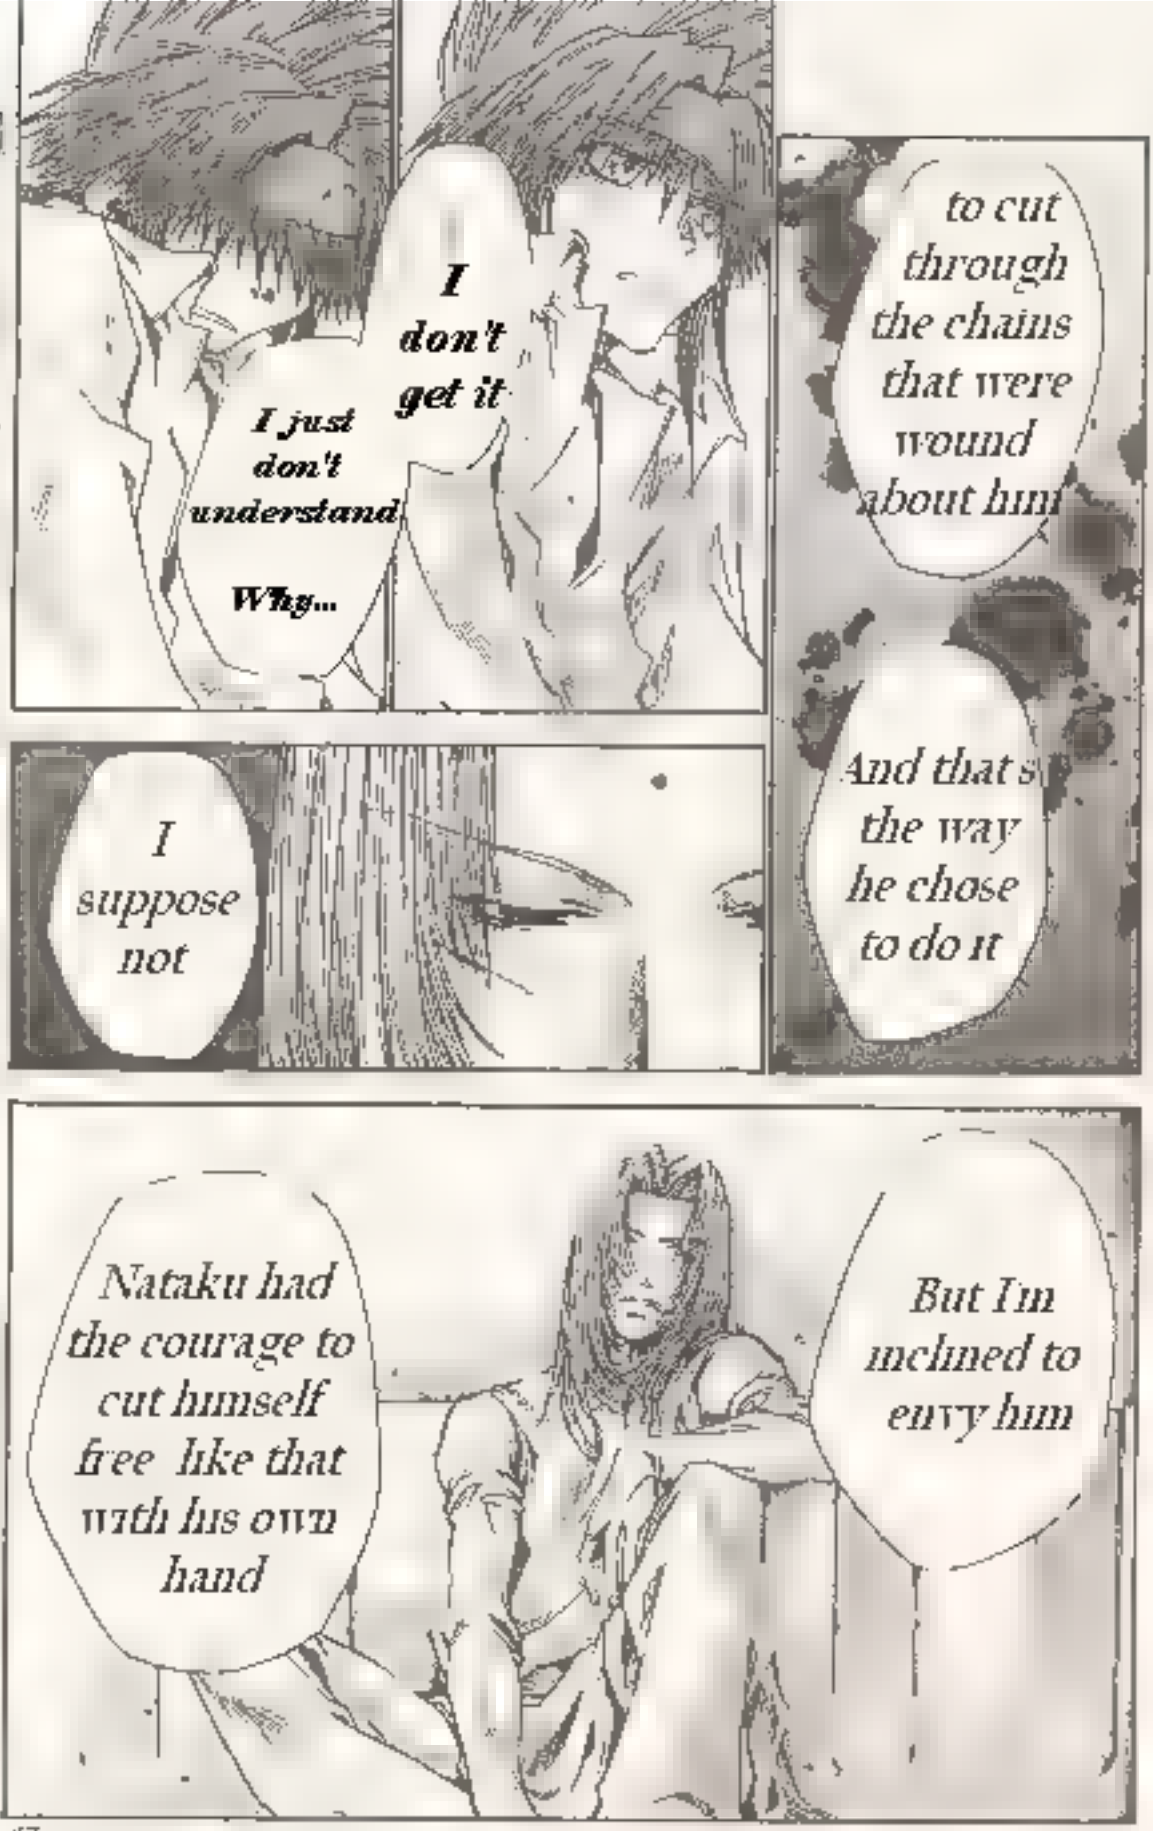
No
I mean, to Nataku
You didn't do anything
The soldiers attacked you and you lost consciousness That s all
Did I did I do something ?



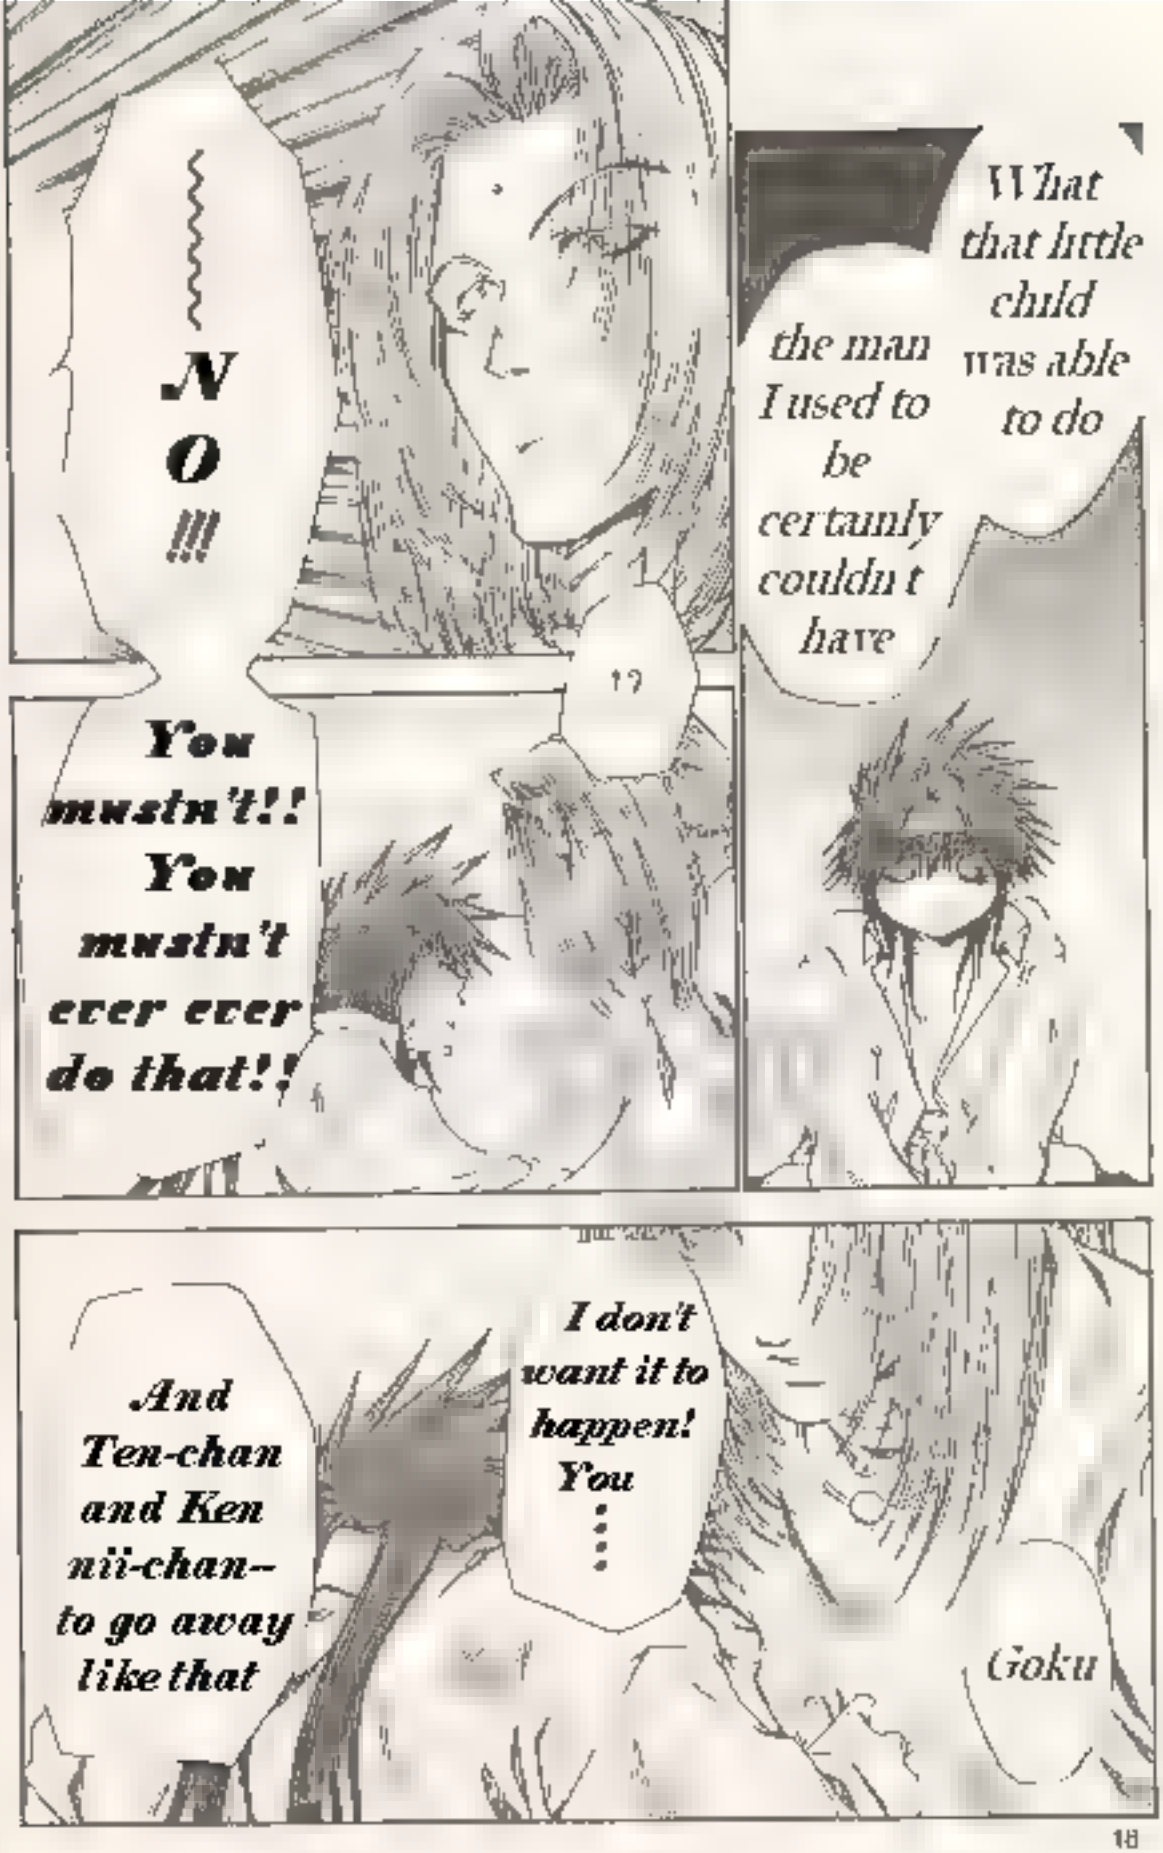
Hey! Was it my fault?
Oh that
Was it 'cause I tried to be his friend
that he did that?



Free
He must have wanted to be free
Then why
"
No
That wasn't your fault



I don't get it
I just don't understand
Why...
to cut through the chains that were wound about him
And that's the way he chose to do it
I suppose not
Nataku had the courage to cut himself free like that with his own hand
But I'm inclined to envy him



NO!!!
You mustn't!! You mustn't ever ever do that!!
!?
What that little child was able to do
the man I used to be certainly couldn't have
I don't want it to happen! You...
And Ten-chan and Ken nii-chan– to go away like that
Goku

Do you remember?

Whether they look beautiful

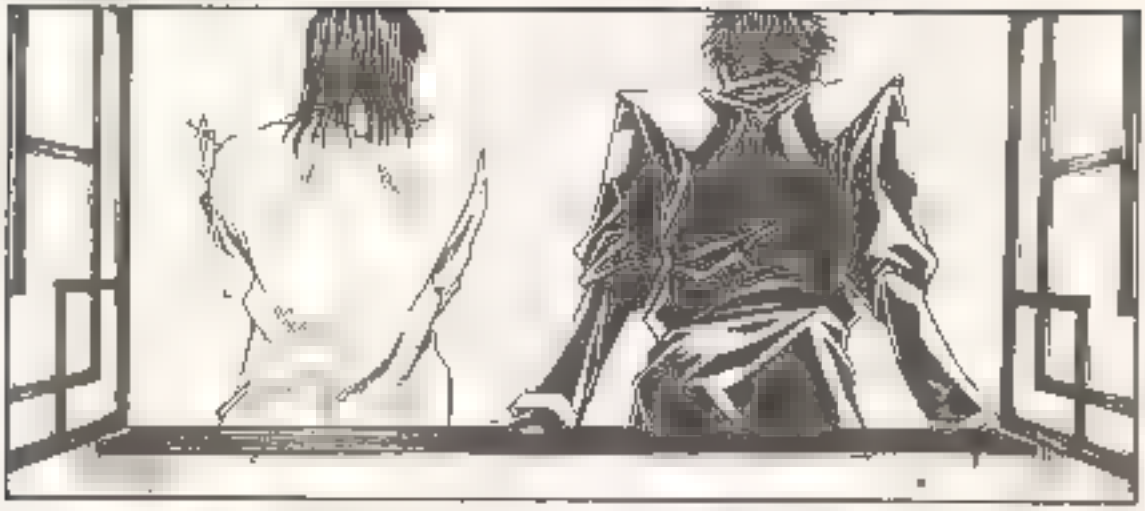
I agree



That? I don't remember it myself much, to tell you the truth
The first time I met you, you mean?

Their aim was to sneak into the Emperor's palace while the army were away at the other building

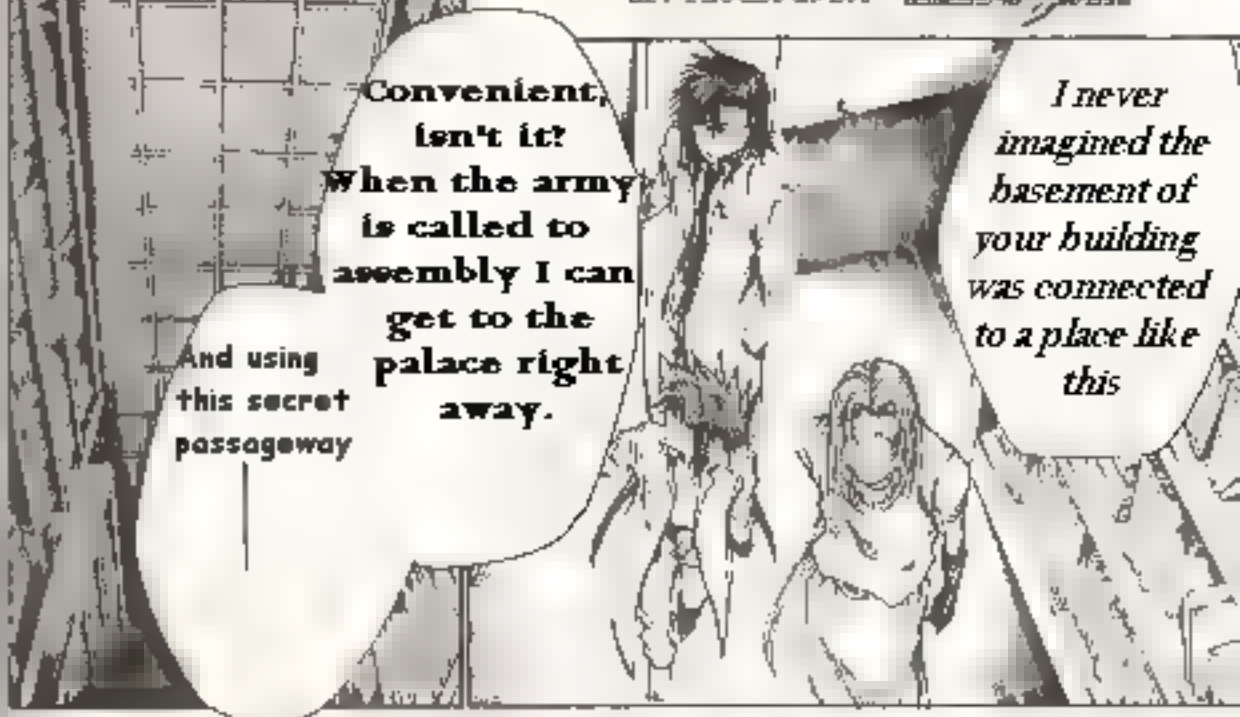
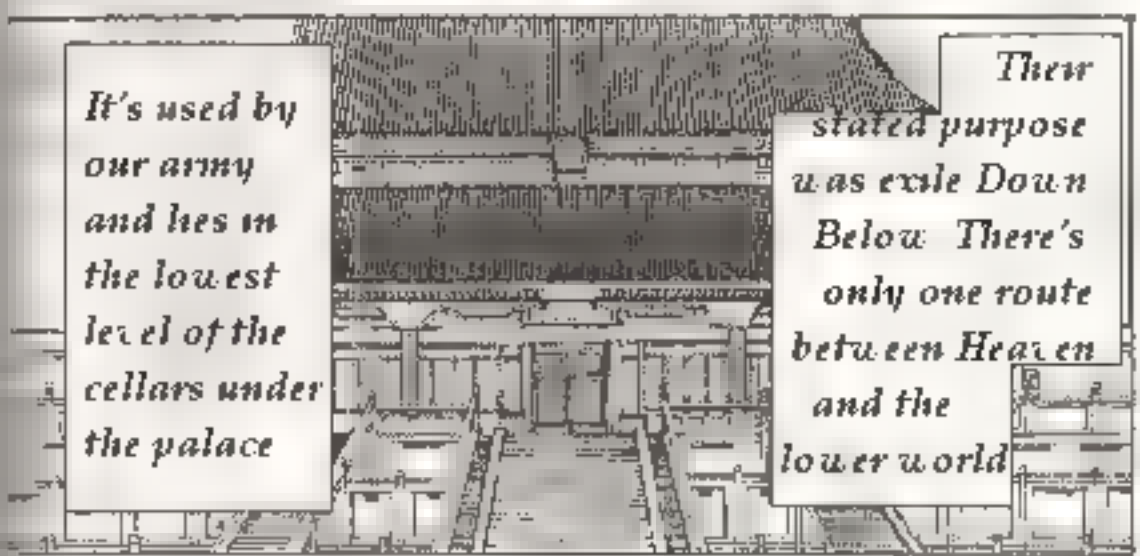
What's this place.
The library stacks in the imperial palace.

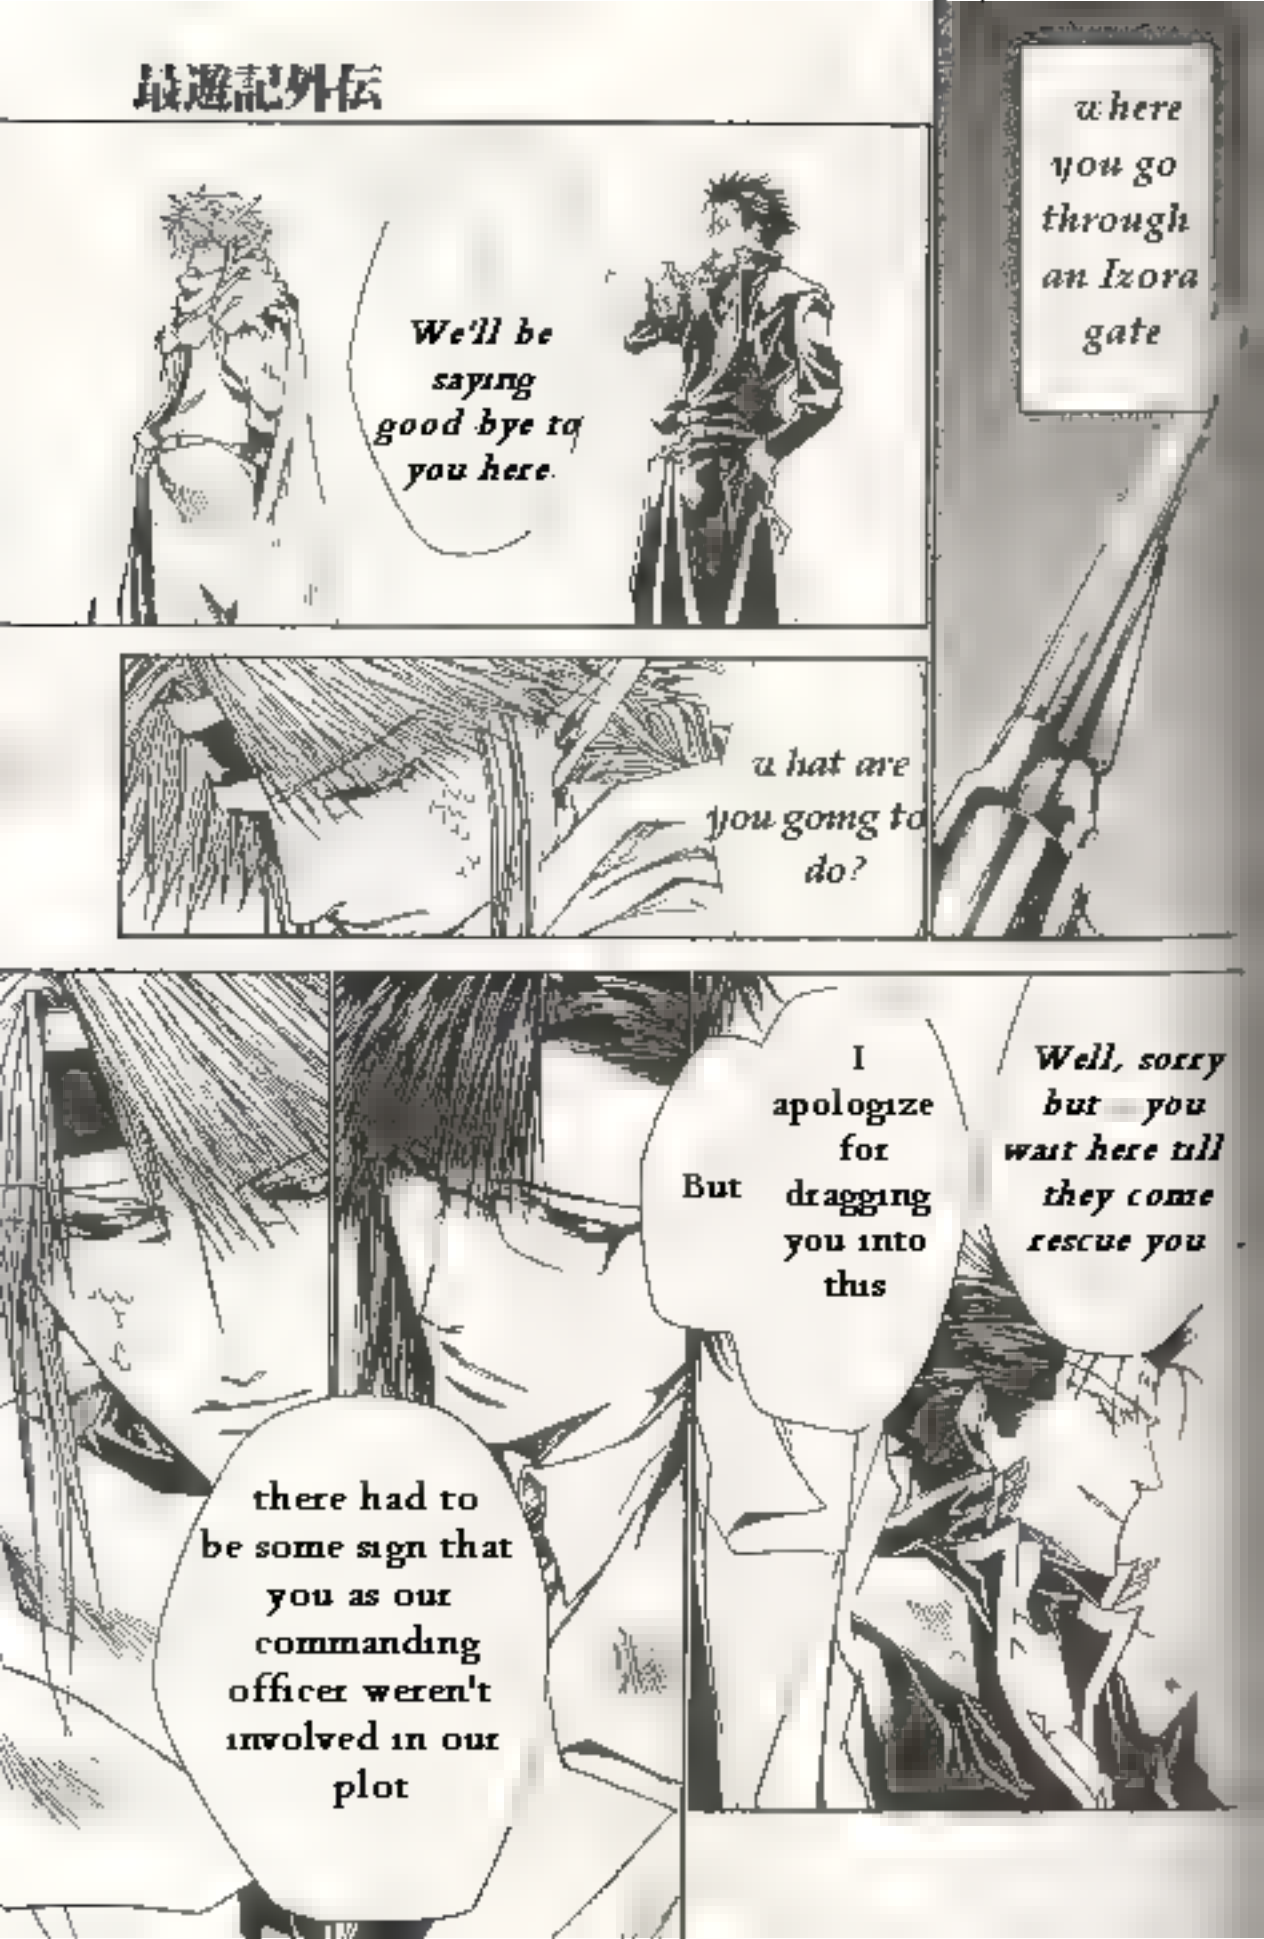


Convenient, isn't it? When the army is called to assembly I can get to the palace right away.
And using this secret passageway
I never imagined the basement of your building was connected to a place like this

You can't call it borrowing when you never bring them back!
I can borrow all the books I want from here!!



It's used by our army and lies in the lowest level of the cellars under the palace
Their stated purpose was exile Down Below. There's only one route between Heaven and the lower world



We'll be saying good bye to you here.

Second Squadron leader of the Western army

I m honored by your good opinion of me,

Field Marshal Tenpou

Enrai

Right now I m just a nameless fugitive.

Oh, and I ve resigned as marshal.

Not yet!

Or rather

...how about just overlooking our existence?

So you re resigned to your fate?

Enrai

he was leader of the first squadron before I was

He and Tenpou didn t get along so he was moved to another division.

you always did take your jokes too far

I always figured someone like you didn t know how the men who followed you felt.

Nothing of the sort.

I just get on best with people who like joking too.

And because you re that kind of officer you were content to have a mere fourteen men attached to you

I don t care what you say about us two.

But I won t keep my mouth shut while you make fun of my squadron.

Really?
So what are you going to do?

You have a nerve acting big when things are like this.

What?

Don t stop

just keep running through them.

You filthy

I m going to give you what you deserve

RATS!!

RUN!!!

Shoot them!!!

Go on ahead while you can, General!!

Cut it out!!

You guys can't get involved in this!!

We're not your commanding officers any more!!

Sorry!!!

Can't hear what you're saying, marshal!

'In the absence of orders take personal responsibility' that's our squadron's motto, right?

That barbecue was really good, General!

sheesh.....

these.....assholes!!

Everyone wants to fight with you!

!!!

Tenpou!!

Ahh

Ahhh

AAAAAAAA

Ann

AHHH

!!

Kaah

KILL THEM ALL!!!!

Don't leave a single man alive who saw you here.

Do you hear me!!

this is my final order

YES SIR !!

Good.

We're out of here.

But in that case...

Don t let them get away!

Kıll them !!

HA

Don't be such a party pooper.

The General and the Marshal will get all the glory of having killed this lot!

Gahhh

Ten-chan

Ken nii-san, hurry!

Take care, Marshal, General!

Let's have some more barbecue —!!

Got it, got it!

Next time it'll be the first class special.

ALA

Eizen!

Goyou!

!!

This is the Western army, first squadron's final battle.

We're gonna carry out this mission no matter what.

Well then,

let's be on our way.

Tenpou

The longer it takes the more people we'll have after us.

Next time we split the cost.

But naturally.

Are you afraid of me?

.....

I figured,

whatever happens I'll always like you, Ken-nii and Ten-chan.

The way those guys back there did.

Goku and the others are heading for the world below, but something comes to stand in their way
?

Litouten sama!
The dragon king Goujun is safe under protection in the under ground book stacks
Not badly
Is he hurt?
By the tme I u·as apprised of the state of the battle,
the four fleemg rebels had dsappeared m the corridors rummg along the lou est level of the mperal palace
Anh. who knows :
How far does this go?
NO
Rather than pursuing them, it might be better to make arrangements to block up the exit
The rebels seem to have fled through a ventilation shaft

Can the dragon king Gou'an here
Ah ?
I have my own plans
I'll get that useless boy
to take as much responsibility as he can
At that time I hadn't realized
who my real enemy in this rebellion was
F/X dragging through narrow space
It's too tight in here for your Mom and kid fights. Cut it out, would ya?
Not my fault. It's harder for me
But Konzen, you're so slow!
Don't push my ass so hard, Goku

This goes on farther than I'd thought. Wonder where we are now?
Hey, looks like an exit
FI

What °is° this?
Something the matter?
Anh doesn't seem like anyone's after us but

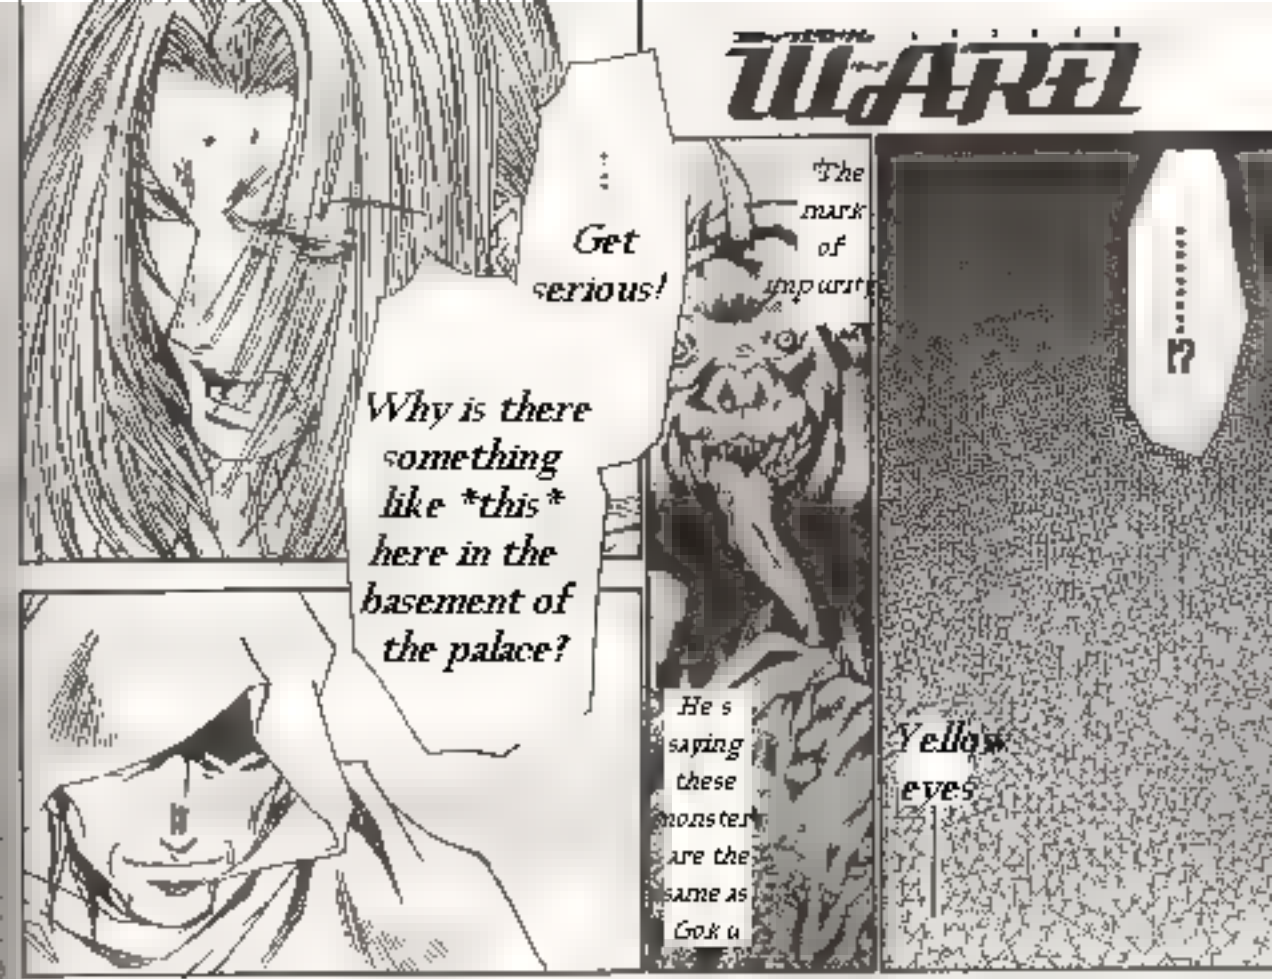
yellow eyes!
All of them are fellow creatures to the Seiten Taisei who's standing there.



Get serious!
Why is there something like *this* here in the basement of the palace?
*The mark of impurity
He's saying these monsters are the same as Goku
Yellow eyes
!?

Tenpou, what're you
!?
I think I can guess
Oh,

The ones here have all different shapes
I told you before, Konzen.
Things like this have been appearing more frequently Down Below for quite a while now

As I might have expected of the Marshal and General of the western army you're very quick on the uptake
But they're the same kind as the ones the western army has been sealing down there
So all this was something Litouten worked out to get to where he is now?
I felt before that there was something unnatural about it
Litouten
let's say you're a bit off the mark
The timing was too good Litouten brings us Natuku and offers him as a Toushin for the underworld
that sudden swift increa

F/X sword slash
The
Emperor!!

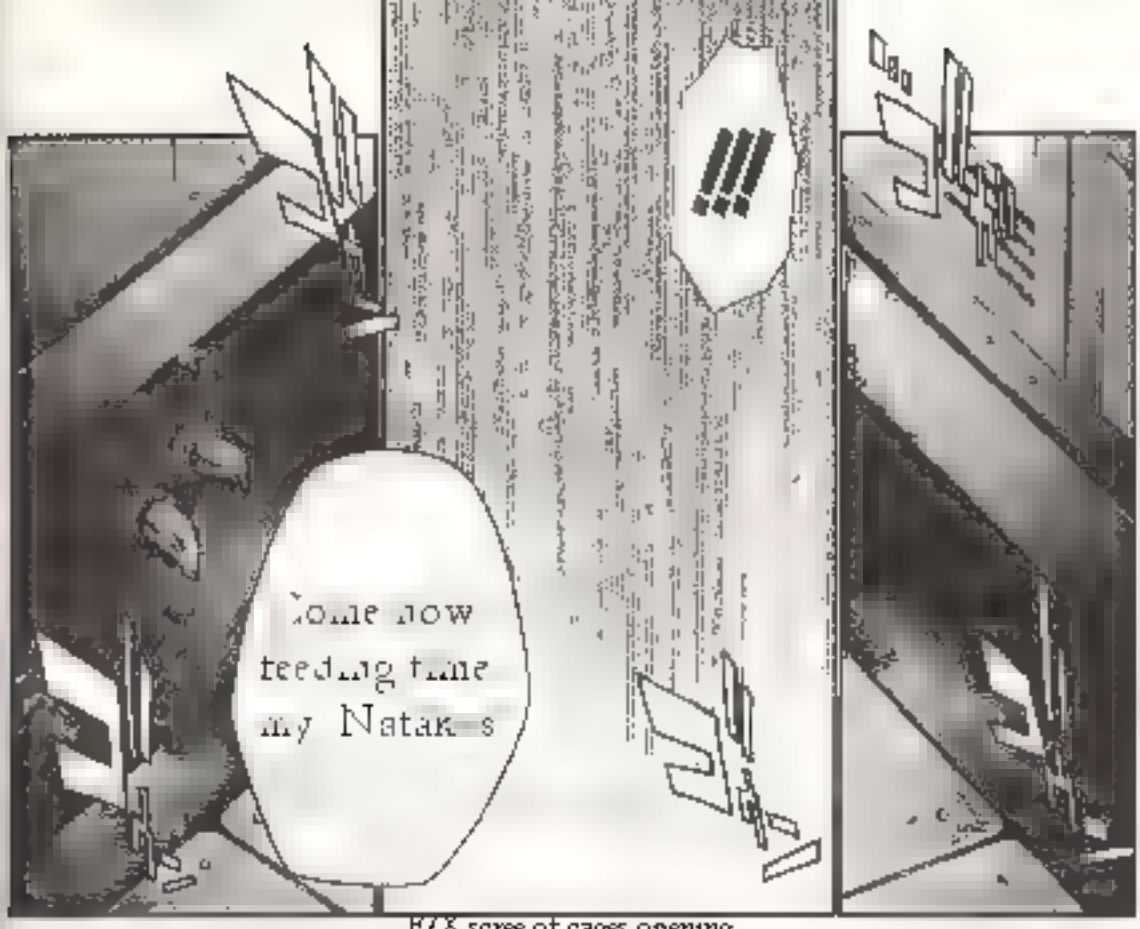
Oi,
You don't mean
the supreme living weapon that Lituoten was in charge of but then
He made them too
...
"
All these weird creatures as well
It took a long enough time before we managed a creature that could be used as Toushin We've got quite a number of failures here that didn't even make it to human form
"
..

what's down here
are all the ones that didn't manage to become 'Prince Nataku'!!
You're kidding
I won't have wasted all the trouble I took to make them
Nonetheless if I find a way of using them



F/X scree of cages opening

What's the army doing??
The news of the emperor s death gets out
I knew it would happen!
That golden-eyed child brought disaster on Heaven
"

In what way do you propose to accept responsibility
For keeping that unclean child in Heaven Kanzeon Bosatsu

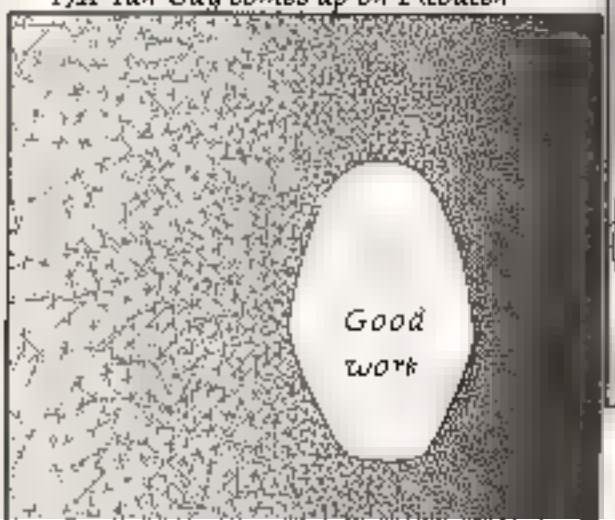
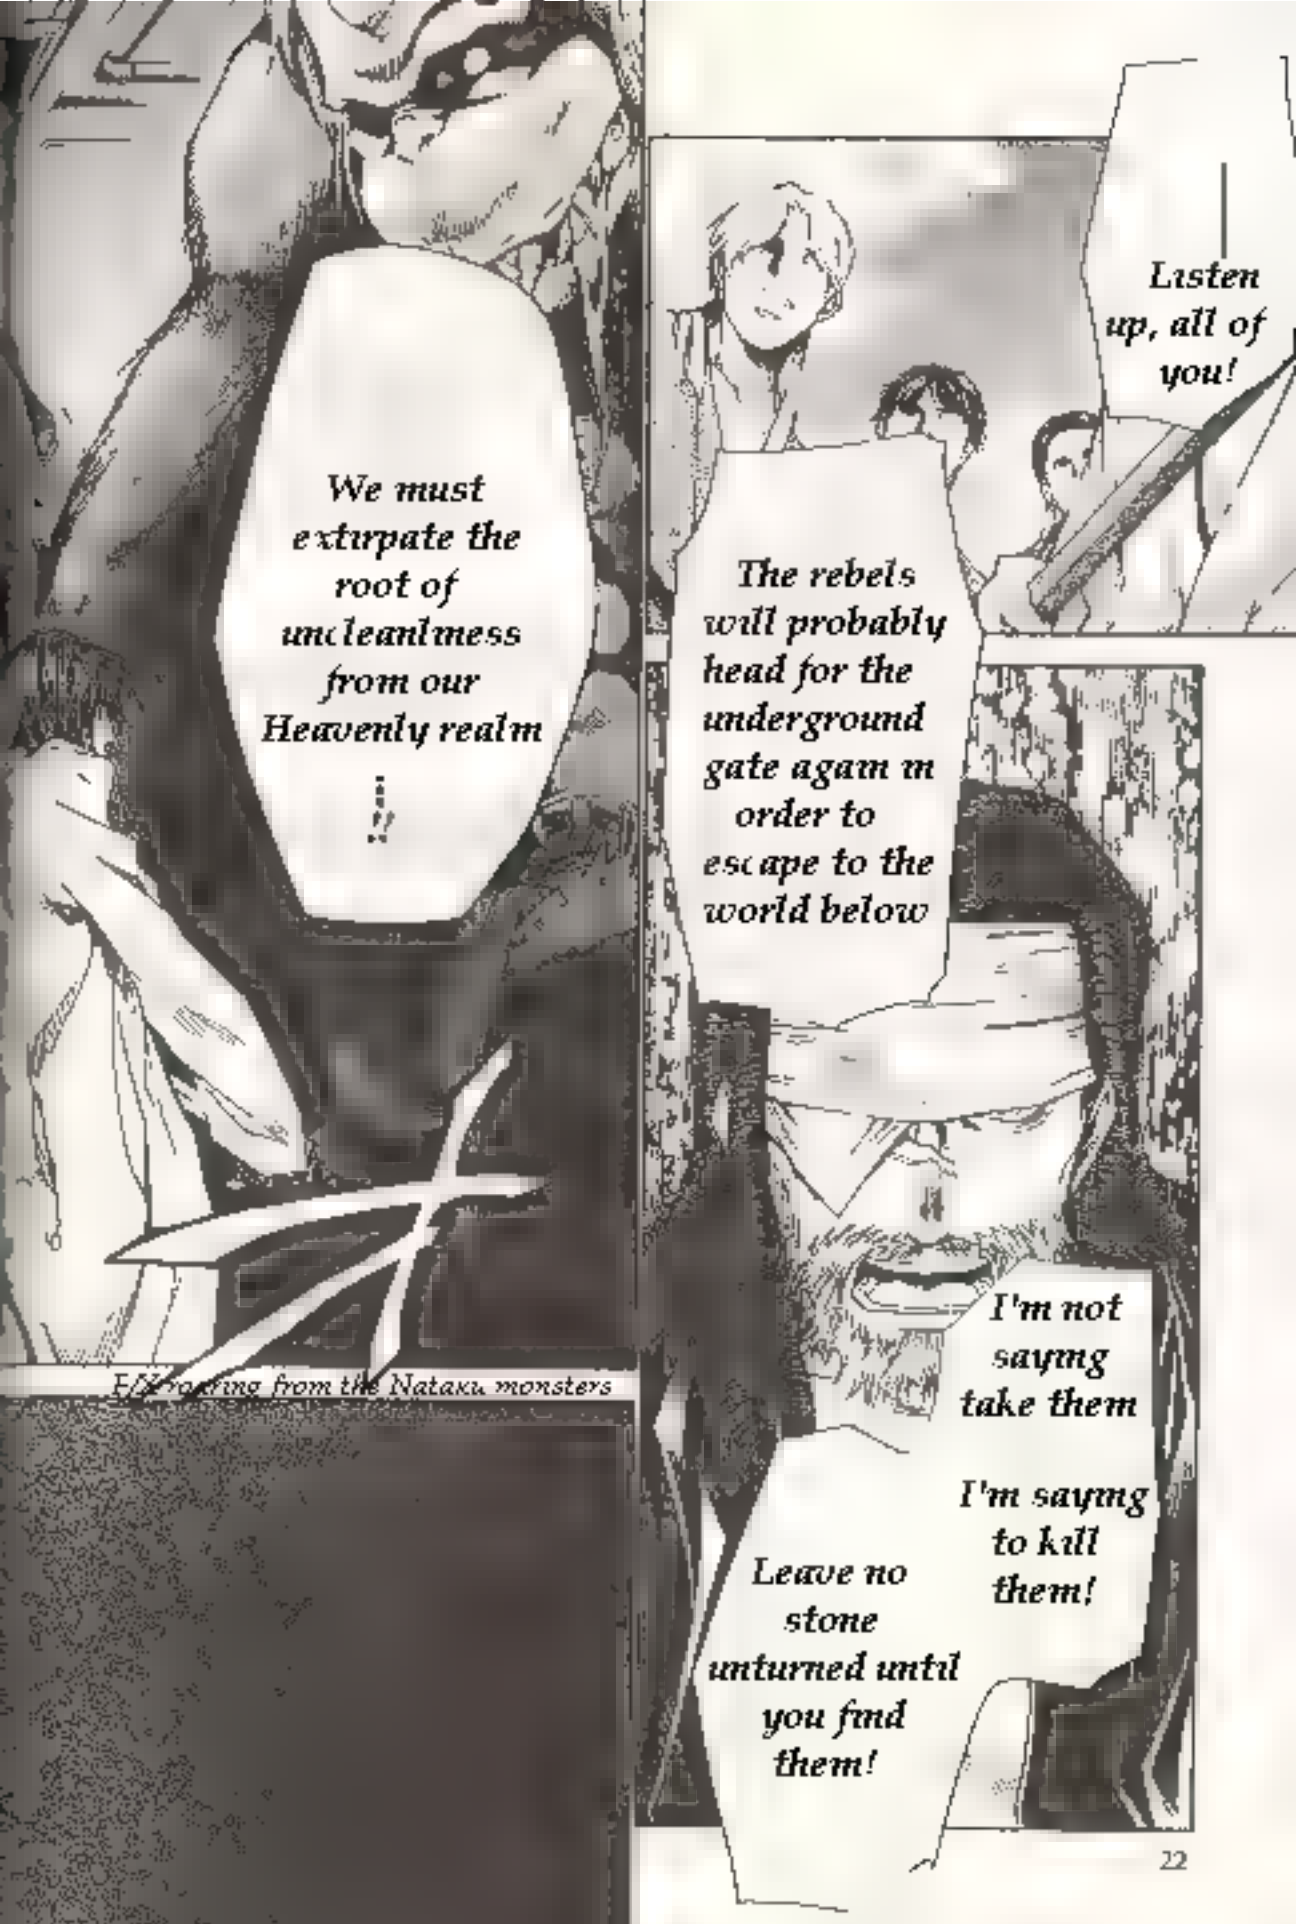
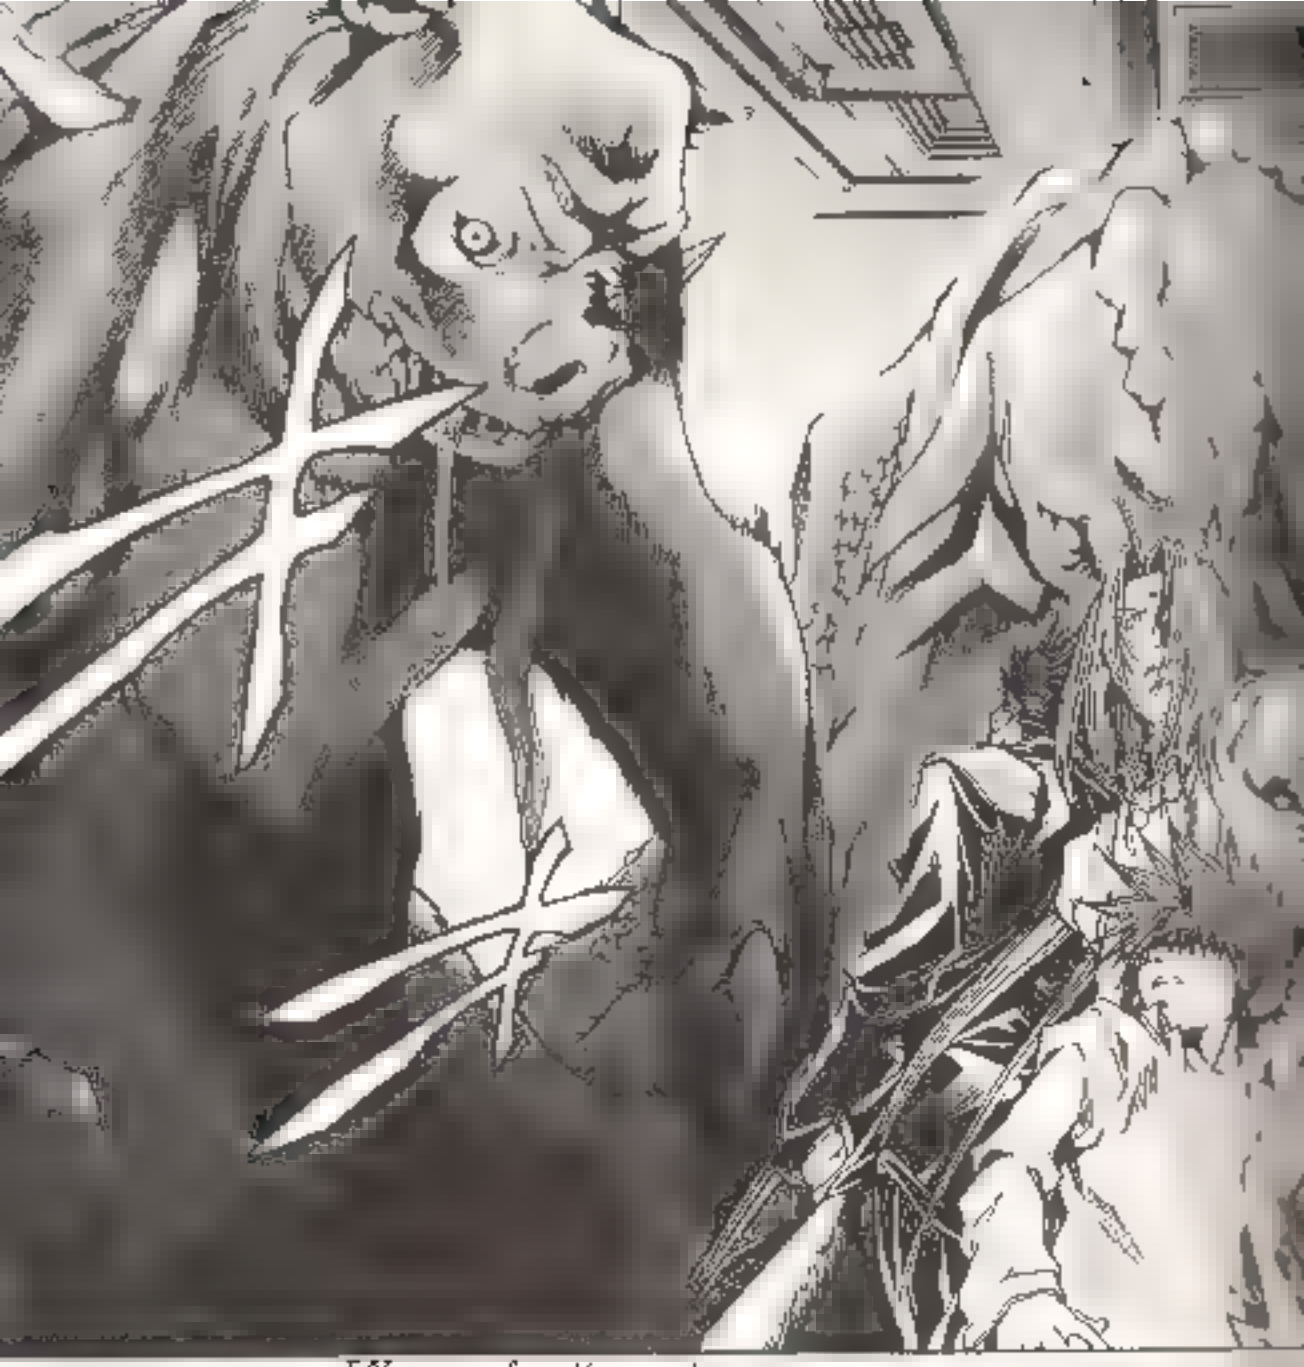
F/X Ian Guy comes up on I douten



Well, I'm the acting commander-in-chief. I need merely see to it that the Lord Dragon King takes the blame
Pretty soon we have to call up the Eastern Army as well
It would seem that the army is getting criticised for this now
Well, but maybe it won't be necessary
Now, lets amuse ourselves with the farce for a bit
So
Everything's going to plan?
Not a cloud in the sky
This is just a stage put in place for our use
F/X I (outen s stock pounds on the ground

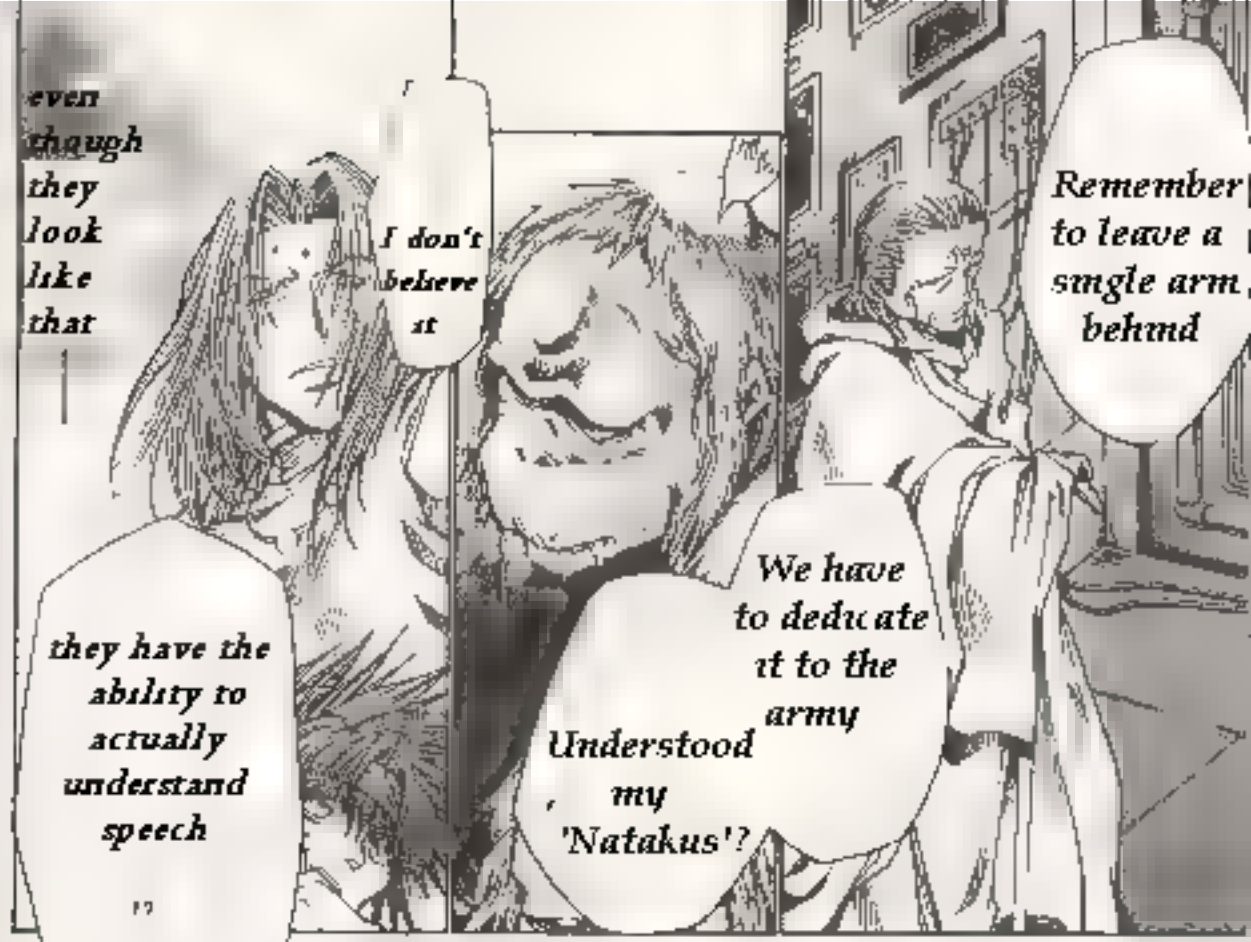


We must extirpate the root of uncleanliness from our Heavenly realm!!
Listen up, all of you!
The rebels will probably head for the underground gate again in order to escape to the world below
I'm not saying take them
I'm saying to kill them!
Leave no stone unturned until you find them!
Escaping from the Nataku monsters



F/X roaring from the monsters

I



even though they look like that
I don't believe it
Remember to leave a single arm behind
We have to dedicate it to the army
Understood my 'Natakus'?
they have the ability to actually understand speech
